

## CHAPTER CCVI.

HAR! said :—O thou moon-crested deity, a  
 decoction of  
 Maricham, Shrin<sup>^</sup>averam, Kutaja, and Tvacham,  
 internally  
 administered, cures Uenteric diarrhoea (Grahini).  
 A compound  
 consisting of Pippaii, Pippali-mulam, Maricham,  
 Tagaram,  
 Vachi, and Patha, pasted together with milk and  
 the ex\*  
 pressed juice of Devad<sup>&</sup>ru, proves curative in  
 cases of  
 dysentery. An Anj-tnam composed of Maricham  
 and sesame  
 flowers pasted together' and applied to the  
 eyes cured  
 chlorosis. O Rudra, treacle and Haritaki,  
 taken in equal  
 parts and given in combination with honey, act  
 as a good  
 purgative • remedy. A compound of Triphali,  
 Chitrakam,  
 Chitram, and Katu-Rohini boiled together with  
 water and  
 fwternally administered forms a good purgative,  
 and relieves  
 the form of Rheumatism known as Orustambha.  
 A decoction  
 of Haritaki, Shrinoraveram, Devadiru/  
 Chandana, and  
 Apam<sup>f</sup>rga-root boiled together with goat's  
 milk, and taken  
 for a week) undoubtedly alleviates a rheumatic  
 aching pain  
 in the thighs, and proves curative in  
 Urustambha as well.  
 Reduce to fine powder Ananta and  
 Shringaveram, and add  
 to it equal parts of treacle and bdellium. Beat  
 it up into a  
 mass and divide the mass into pills. These pills  
 alleviate  
 stiffness and aching of the ligaments, and  
 improve the diges-  
 tive capacity. Cull a Shankapushpi creeper with

its leaves,  
roots and 'flowers. Reduce it to a paste with the  
addition of  
goatV milic; by taking it one is relieved of  
hysteric fits.  
Take equal parts of Abhaya and Ashvagandhf  
through the  
medium of water, and rest assured of a radical  
cure of  
hsemorrhage (Raktapittam). Take a mouthful of a  
pulverised  
compound of 'Haritaki and Kushtham, and gulp it  
down with  
water for the cure of vomiting. A decoction of  
Gyducbi^j
